This **Contract** covers mechanical **Breakdowns** that are expressly covered under this Contract, and is for the sole benefit of the Contract Holder named herein, and only applies with respect to the **Vehicle** described on the Application Page.

This **Contract shall be invalidated** if there has been a tampering, inaccuracy, or alteration to the odometer mileage of the **Vehicle** so that the **Vehicle's true and actual mileage** is not shown on the odometer and cannot be determined. **In the event the odometer becomes inoperable during the term of this Contract, You must immediately contact Us within thirty (30) days of the odometer becoming inoperable** and provide us with documentation to show the odometer has been repaired

properly. Failure to notify us or provide this documentation may result in us cancelling this Vehicle Service Contract.

This Vehicle Service Contract provides benefits for **Breakdown** and **Wear and Tear of Covered Parts** installed by the **Vehicle** manufacturer, as those terms are defined above.

Coverage Period: Coverage under this **Contract** begins upon expiration of the **Waiting Period** and will expire on the **Expiration Date or Mileage** measured from the **Effective Date and Mileage**, whichever occurs first, as shown on this Application Page, and/or when the **Limits of Liability** have been reached.

Your Vehicle's Owner Manual lists different servicing recommendations based on Your individual driving habits and climate conditions. You are required to follow the maintenance schedule that applies to Your driving habits and climate conditions. Failure to follow these recommendations may result in the denial of claims.

Oil Changes and Verifiable Receipts: In the event of a Breakdown, We may request oil change and/or service records to verify that maintenance has been properly done. If You perform your own maintenance and/or service, You must retain all receipts that show the purchase of materials used in the Vehicle maintenance process.

Filing a Breakdown Claim: If Your Vehicle incurs a Breakdown, You must take the following steps to file a claim:

- 1. Prevent Further Damage-** Immediately take action to prevent further damage to Your Vehicle. The operator of Your Vehicle is responsible for observing Vehicle warning lights, gauges, and sensory items that indicate a potential Breakdown. Upon this observation, you must immediately arrange for the vehicle to be diagnosed. Failure to properly take this action may result in the denial of claims.

in the “Definitions” section of **this Contract**, an **Authorized Repair Facility** is any dealership, repair facility, or other business that is certified to repair motor vehicles by the National Institute for Automotive Service Excellence (ASE) in the United States or Canada.

Any additional amount must obtain **additional approval from Us** by contacting the same number as stated above.
4. **If applicable, Authorize Tear-Down and/or Inspection-** In some cases, **You** may need to authorize the licensed repair facility to inspect and/or tear down **Your Vehicle** in order to determine the cause of failure and cost of the repair. **We will pay this fee, up to the maximum market rate amount;** if the breakdown is a **Covered Repair**. The repair facility **must get prior authorization to begin the teardown by calling the claims number as stated above.**
5. **Review Coverage-** After **We** have been contacted, review with the service manager what will be covered under this **Contract**.
6. **Pay any Deductible (If Applicable)-** **You** must pay to the **Authorized Repair Facility** any required **Deductible**, as stated in “Terms and Conditions” section of this **Contract**. As stated in the “Terms and Conditions” section of this **Contract**, we will pay for the amount of the **Breakdown** on a **Covered Repair** less the deductible. In the event there is no deductible as stated on the Application Page, **you will not be required to pay a deductible**. All repair orders, requested documentation, and invoices from the **Authorized Repair Facility** must be submitted to **Us** within thirty (30) days (three hundred sixty-five [365] days in Wisconsin) to be eligible for payment.

Emergency Repairs: Should an emergency occur which requires a repair of a **Breakdown** to be made at a time when **Our** office is closed, **and failure to repair the Breakdown immediately will either 1) render Your Vehicle unsafe to drive, 2) result in further damage to Your Vehicle or, 3) cause other components on Your Vehicle to fail**, follow the claim procedures above without authorization, **and We** will make reimbursement to **You** or the **Authorized Repair Facility** in accordance with the provisions of this **Contract** if the **Breakdown** is a **Covered Repair**. You must contact

Us within three (3) business days from the date of repair to determine if the repair is a **Covered Repair**. **No Emergency Repairs will be reimbursed without authorization in excess of \$500.00 per occurrence.**

For claims assistance, please contact Us, the Administrator, CarGuard Administration, INC at (888) 907-0870, NO CLAIMS WILL BE PAID UNLESS THE STEPS ABOVE ARE FOLLOWED.

The telephone number for Wesco Insurance Company is (866) 505-4048. If any covered claim or refund is not paid within sixty (60) days (thirty [30] days for Arizona residents), or if the provider becomes insolvent or otherwise financially impaired, after proof of loss has been filed, **You** may file a claim directly with the Insurance Company by contacting the Insurance Company at the number provided above.

SECTION X. CANCELLATIONS

If You cancel this **Contract** within the first 30 days from the Purchase Date of this **Contract** you shall be entitled to a full refund of all monies collected on your account. This refund shall be paid to you by the **Selling Agent**. You may cancel this contract within the first thirty (30) days by contacting the seller at the telephone number listed on the Application Page, or in writing. After thirty days, you must send any requests to cancel this **Contract** to us in writing.

You may cancel this **Contract** at any time, including instances when the **Vehicle** is sold, lost, stolen, or destroyed by notifying **Us** in writing and by submitting a request to **Cancel** the contract with a Letter of Cancellation stating the reason for cancellation, the mileage at the time of cancellation, and the date of cancellation. This letter must be submitted to the **Selling Agent**. We will consider the date of cancellation to be the date the Selling Agent receives the Letter of Cancellation. In the event this **Contract** is cancelled outside of the first thirty (30) days from the purchase date of this Contract, you will be charged a seventy five-dollar (\$75.00) cancellation fee to be deducted from any refund due.

In the event this **Contract** is cancelled after the first thirty days from the purchase date and the contract is not cancelled due to non-payment by the **finance agent** (if applicable), a pro-rated refund will be due. The pro-rated refund shall be calculated according to the pro-rata method reflecting the greater of the days in force or the mileage elapsed based on the term of the Contract, less a service charge of seventy-five dollars (\$75), except where state law or regulation requires a lesser amount. **After 30 days, paid claims shall also be deducted from any pro-rated refund due**, except where prohibited by state law or regulation.

In the event this contract is financed through a **payment plan** or **finance agent**, the payment plan provider or finance agent shall place a lien against this **Contract**. Any and all refunds due from a cancellation shall be due to the payment plan provider or finance agent as long as a balance is due by **You** to the payment plan provider or finance agent.

In the event this contract is cancelled due to non-payment by the **payment plan provider, finance agent, or Selling Agent** you will forfeit any and all refunds due to **You**.

SECTION XI. TRANSFERABILITY

This **Contract**, while in-force, may be transferred by the ORIGINAL **Contract Holder** to the subsequent owner of the **Vehicle** for a fee of fifty (\$50) dollars payable to **Us**, the **Administrator**. The subsequent owner must also transfer the manufacturer's warranty, if applicable. Written evidence of all required maintenance may be requested by **Us** upon transfer. All terms and conditions of the original **Contract** will apply to the transferee.

Approval of transfers is at the discretion of **Us**, the **Administrator** and may be denied for any reason. Submission of a Transfer Request must be completed within thirty (30) days of the sale or transfer of the **Vehicle**.

In the event this **Contract** is transferred to a Dealer Entity, the contract will remain in a suspended status, whereby all claims will be rejected until the contract is transferred back to an individual owner. Both the individual who sells the contract to the Dealer Entity, and the Dealer Entity itself must pay the transfer fee to transfer it back to the new individual owner. **If this process is not followed properly, we reserve the right to void this contract** and any refund rights will be forfeited.

Please send any and all transfer requests, as well as a check payable to CarGuard Administration, INC to the following address:
